The Nonprofit Management Academy is a one-year, comprehensive management development program specifically designed for nonprofit personnel. Participants will work to develop a nonprofit sector toolkit by engaging in 19 customized workshops equipping practitioners with the necessary management tools to achieve success, sustain their organizations, better serve their clients, and positively affect change in the community. The program content draws upon the curricular guidelines developed by the Nonprofit Academic Centers Council (NACC).

**Overview**

The Nonprofit Management Academy is a one-year, comprehensive management development program specifically designed for nonprofit personnel. Participants will work to develop a nonprofit sector toolkit by engaging in 19 customized workshops equipping practitioners with the necessary management tools to achieve success, sustain their organizations, better serve their clients, and positively affect change in the community. The program content draws upon the curricular guidelines developed by the Nonprofit Academic Centers Council (NACC).

**The Curriculum**

The Academy is divided into trimesters, offering courses such as Effective Strategic Planning, HR/Volunteer Management, Board Governance, Advocacy, Social Change & community Engagement, Law, Ethics & Social Responsibility, and more.

**BENEFITS INCLUDE...**

- Receiving a Nonprofit Management Academy certificate;
- Networking with a cohort of nonprofit professionals across Northeast Ohio;
- The opportunity to receive Levin College academic credit upon completion;
- The potential to work towards a national credential.

The 2020-2021 is set to launch in the Spring. For more info, visit csuohio.edu/urban.
